# THE OFFERING

Investors are offered the opportunity to acquire a five-tenant grocery shadow anchored strip center located in Elgin, IL (Kane County). Tyler Creek Plaza is shadow anchored by Frank's Freshway Market, a local family-owned chain of grocery stores. Frank's Freshway market recently completed a major remodel of the store and helps provide consistent foot traffic to the tenants of Tyler Creek Plaza. The property features an ideal mix of 3 restaurants, 1 specialty grocer/restaurant and 1 service tenant. Rosati's Pizza, a well-known Chicagoland staple, has been a cornerstone of the property for over 40 years. Wingstop anchors the west end cap and according to Placer ai, the Elgin location is the #1 visited Wingstop in the State of Illinois.

The Property features excellent fundamentals as all tenants operate under net leases with management fee reimbursement. A majority of the tenant leases contain annual rent increases, providing an investor with a strong hedge against inflation. In addition, Tyler Creek Plaza patrons have full access to parking on the adjacent parcels, including the Frank's Freshway Market parcel.

The trade area is defined by Elgin's dense industrial corridors, providing a deep and durable daytime employment base of nearly 88,000 workers within three miles, a clear benefit to the restaurants. The property sits 1.4 miles from Interstate 90 (108,800 VPD) and one mile from the MD-W Metra station, which serves more than 2.7 million annual riders. The broader trade area is home to over 171,000 residents within five miles, a population that grew 4.9% over the prior decade and continues on a projected growth trajectory.

Representing more than one party to a transaction presents a conflict of interest since both clients may rely upon Broker's advice and the client's respective interests may be adverse to each other. Broker will undertake this representation only with the written consent of ALL clients in the transaction.

Any agreement between the clients as to a final contract price and other terms is a result of negotiations between the clients acting in their own best interests and on their own behalf. You acknowledge that Broker has explained the implications of dual representation, including the risks involved, and understand that you have been advised to seek independent advice from your advisors or attorneys before signing any documents in this transaction.

## WHAT A BROKER CAN DO FOR CLIENTS WHEN ACTING AS A DUAL AGENT

- 1) Treat all clients honestly
- 2) Provide information about the property to the buyer.
- 3) Disclose all latent material defects in the property that are known to the Broker.
- 4) Disclose financial qualification of the buyer to the seller.
- 5) Explain real estate terms.
- 6) Help the buyer to arrange for property inspections.
- 7) Explain closing costs and procedures.
- 8) Help the buyer compare financing alternatives.
- 9) Provide information about comparable properties that have sold so both clients may make educated decisions on what price to accept or offer.

## WHAT A BROKER CANNOT DISCLOSE TO CLIENTS WHEN ACTING AS A DUAL AGENT

- 1) Confidential information that Broker may know about a client, without that client's permission.
- 2) The price the seller will take other than the listing price without permission of the seller.
- 3) The price the buyer is willing to pay without permission of the buyer.
- 4) A recommended or suggested price the buyer should offer.
- 5) A recommended or suggested price the seller should counter with or accept

If either client is uncomfortable with this disclosure and dual representation, please let Broker know. You are not required to sign this document unless you want to allow Broker to proceed as a Dual Broker in this transaction.

By signing below, you acknowledge that you have read and understand this form and voluntarily consent to Broker action as a Dual Broker (that is, to represent BOTH the seller and the buyer) should that become necessary.
