U.S. ALL COMMERCIAL REAL ESTATE BROKER RANKING DEALS PARTICIPATED IN – \$1M+

MARCUS & MILLICHAP CLOSES MORE TRANSACTIONS THAN ANY OTHER FIRM

*Trailing 12-months through 3Q 2025. Apartment transactions include multifamily buildings 5 units and greater. Includes sales \$1 million and greater in which the brokerage firms represented either the buyer or seller. Deals that were double-ended by the same brokerage are counted as one deal. Deals brokered by different firms on the buy side and sell side count as one deal for each brokerage. The information is based on internal and external information available to Marcus & Millichap. There may be other sources of information unavailable to Marcus & Millichap or other calculation methodologies which may change rankings and reported numbers. Parties are advised to do their own investigation when choosing a broker or making an investment decision.

GROUP

WHY OUR GROUP

- Our Group is a small business integrated within a publicly traded corporation, Marcus & Millichap. The Sharko | Weisenbeck | Mendoza Group has a true national platform with a reach second to none.
- We have negotiated hundreds of purchase contracts, resulting in billions of dollars in sales.
- We cultivate a consultative and proactive partnership with our clients, taking a hands-on approach to ensure complete transaction coverage. This includes collaborating, monitoring and assisting all those who influence the transaction to raise probabilities for a successful closing.
- Our firm's national platform combined with our team's proprietary database ensures total property exposure across the market.
- Our buyer pool extends nationwide. In 2025, 39% of our buyers came from Illinois, followed by Florida (9%) and California (7%). Another 3.57% each originated from Georgia, Indiana, New York, Iowa, Michigan, Missouri, and Ohio, with the remaining 18.75% coming from nine additional states and Canada.
